## How It Works

Download a free QR Code reader on your smartphone.

Go to: [www.i-nigma.mobi](http://www.i-nigma.mobi)

If you don't have a wireless connection, use your phone to take a photo of each QR Code.

Hunt for a cigar at each EXPO booth, but search carefully, there are only six.

Scan the QR Code located next to each cigar.

Score a prize. After you find all six QR Codes, return to the Minuteman Press / Big Daddy Marketing Booth.

Complete the Scavenger Hunt by 5:00 p.m. on May 12th, and you will be entered into a drawing for an iPad2, to be given away just before the JSC FCU cash drawing. You do not have to be present to win.
