ACCESS - SET UP TIME & USE OF ENTRANCES

Thursday, February 9, 7:30 a.m. to 10:00 a.m. You will be assigned a booth set up time of arrival. Scheduling set-up will allow the committee to assist you in the loading zone and help to make your booth set-up more efficient. Thank you for your cooperation with set-up.

Absolutely no large items or food may be brought into Space Center Houston between 10:00 a.m. and 4:30 p.m.! So don't be late for your scheduled set-up time!

You will need to provide your own dollies with clean, tile friendly wheels; Space Center Houston's dollies are not available for use.

To bring in food (after 4:30 p.m.) or any booth decorating items, use only the loading zone that was assigned to you. **DO NOT COME THROUGH THE FRONT ENTRANCE!** Please note: this area is for loading and unloading only. You must park your vehicles in the parking lot (do not leave at doorway) when they are not in use. **During set-up and the event, please be observant of the load-in-area parking and don't leave your vehicle unattended, blocking the service entrance. This will enable everyone to set up in a timely matter. *Please note: In order to be eligible for judging, your booth must be completely set-up by 5:30 p.m. Additional information regarding the judging process will be presented at the participants' meeting.**

BOOTH LOCATION MAP

A map of the booth locations will be provided to you at the February 2nd Participants' meeting.

PERTINENT INFORMATION

Each participant will be given **(6)** security wristbands at the participants' meeting for your staff to wear prior to and during the event. There will be **NO ENTRY INTO THE FACILITY AT ANY TIME WITHOUT A WRISTBAND.** Participants will not need to purchase tickets for the event as long as they are wearing a wristband. Up to five (5) additional wristbands can be purchased at a discounted rate of \$10 each. **Remember Epicurean Evening is a Fundraising event.**

An outside location will be provided upon request for smokers or cookers in the employee break area behind Space Center Houston. No cooking will be allowed in the building.

Water will be available outside at loading area.

Adequately staff your booth with personnel, serving equipment and eating utensils, etc. Additional equipment may be rented from **One Stop Tents & Events**. To place orders call **281-338-9898**.

JUDGING

Decorate your booth for judging. The categories are: **showmanship** (the overall atmosphere and attitude of your booth participants - is your staff having fun?), **creativity of booth** and **presentation of food** (not the taste of your food). Also, the “**Out of This World**” award will be presented to the booth that has the highest score combined from all three categories. Remember, the Theme is: “A Taste of Space”.

Space Center Houston Operations and the Epicurean Evening Committee will determine booth location assignment. The booth placement is on a first-come-first-served basis. However, other factors are considered such as: electrical needs, booth size, entertainment and traffic control. The decision of booth placement will be final in all matters regarding the event.

Thank you again for participating in Epicurean Evening “A Taste of Space”. We hope that these guidelines will ensure a great experience for you and your staff.
